What the experts think

- “Sono Italiano: the Fiat Bravo practically shouts ‘I am Italian’, with its sleek lines and unashamedly elegant exterior styling” - **Daily Telegraph**
- “It’s taut, muscular, toned, and distinctive; you’ll love the squat rear stance ... move inside and you’ll be impressed further – one, by the roomy feel, and two, by a distinctively-designed dashboard using refreshingly different grains of plastic.” - **What Diesel Car**
- “As well as driving impressively, the Bravo has a strong engine range and offers all the style, both inside and out, that we have come to expect from the brand” - **Auto Express**
- “It’s a beautiful looking car, putting everything else in its class to shame.” - **The Daily Telegraph’s Honest John**
